

The Vampyrian Shadow Tongue is as follows (as well as the majority of the Vampyre community:

The *Starred* terms are terms of Vampyrian Spirituality though some other spiritualities have used the terms as well. The rest are used by the majority of the Vampyre community.

The Realms:

*Holy Realms - The home of the holy Gods and beings of light.

*Astral Realm - The spiritual realm just above the

physical realm in which the soul travels during astral projection and spirits stay who do not wish to pass on to the next life.

*Other Realms - The realm of other kin that are not of the Shadows.

*Physical Realm - The realm that the physical body inhabits; the seen or known.

*Shadow Realm (the) - The underworld or realm of Vampyres and all Dark kin.

Terminology:

Ambient Vampyre - A Vampyre who feeds on Ambient Energy. Ambient Energy is the excess energy people leave behind.

*Aroma Vampirism - Feeding by smelling your target; breathing in the energy also works.

*Astral realm (the) - The spiritual realm just above the physical realm in which the soul travels

during astral projection and spirits stay who do not wish to pass on to the next life.

Astral projection - a point at which your spirit leaves your body to feed (often at night during your sleep).

Astral Vampirism - Feeding through astral projection or astral magick. There are several methods of Astral feeding to enhance the amount of Life force or Energy you get as well as affect the way the Target, Victim, or Life Giver perceives this Feeding. These methods often charges up a great amount of energy as it awakens strong emotion in you target or victim.

1. **Night Terror* or Fear Factor** - This method is used to terrorize or scare your target and they often believe they are having a nightmare (Fear as well as pain are very strong source of energy)...
2. **Tantric - Eroticism*** A method using sexual overtones or having sex with your Target during your night feedings (Sex and orgasm is a very strong source of energy)...

3. Ritual or Dramatic* Using ritual symbolism or dramatic over tones to your night visitation during feeding. (These can also release high energy levels)...

Aura - The energy shell surrounding a person that is easiest to feed from; it is the excess life force each person gives off when feeding on ambient energy.

Auto-vampirism - The act of drinking one's own blood. Though it is actually pointless and you will receive nothing from this but gratification for the taste or need.

Awakening - Becoming Aware of your Vampyre nature.

*Aye/Hail - Yes or let it be so.

*Banished - Excommunicated, Sin Nomine (without name), Banned, or kicked out of the community.

Beacon - An energy signature Vampyres tend to give off to recognize other Vampyres; the "energy signature" given off by both vampyres and "latent or potential" Vampyres. Its main function is to lead vampyres to Latent Vampyres in order to aid in their awakening.

Blood Bars - Rumored underground haven's that are very secretive said to have stored blood for reserves.

Blood bond or *Life Force bond - A bond between a Vampyre and there donor that becomes stronger over much feeding and can be hard to break so be cautious of your donors that they are and you are stable enough for such a bond. Also a blood bond can happen between two who are entered into a Vampyric bonding of souls - marriage.

Blood Fetishist - One who is sexually turned on by blood or has an unusually love of blood. This may or may not be a Vampyre but does not make a person a Vampyre.

Blood Junkie - One who is addicted to blood and sometimes lacks control over it but not always.

Bloodletting - The physical act of extracting blood from
Someone.

Blood play - The act of using blood in a sexual nature as a blood fetishist would.

Chakra - the Energy Centers of the body, each relate to specific power points in which one may utilize to grow in power. You may also focus on these to drain others during Vampyric workings.

Chi or Qi - Spiritual energy, Psychic energy, or Life force contained in all living things. It is all around us as ambient energy emitting from all living things so we therefore must drain from it and grow strong.

There are many points explained in several cultures but the main key points are below:

1. **Spirit or Soul**: The highest point of energy located in the third eye or head...
2. **Pranic Center**: The next highest point of energy located in the heart area of the individual...
3. **Tantric**: A very high energy point of Tantric or sexual vampyres located around the genitalia...
